

HighCamp Expands to California, Adds Former Marlin Equity VP And ACA Group Consultant Brian Roberts as Director

June 2022

LOS ANGELES, June 1, 2022 – HighCamp Compliance, a boutique compliance consulting and outsourcing firm, is pleased to announce the appointment of Brian Roberts as a Director. Based in Los Angeles, Roberts brings significant private equity and ESG expertise to the HighCamp team and its client base.

“We are thrilled to welcome Brian to the team and add a physical presence in California where many of our clients are headquartered,” said HighCamp’s Brad Burgtorf, Founding Partner. “HighCamp’s story and vision of building a better employee and client experience immediately resonated with Brian and we are excited for his help to further improve upon these core company values.”

Roberts joins HighCamp from Marlin Equity Partners, a private equity firm with over \$8 billion under management. As Vice President of Compliance, he oversaw all aspects of the adviser’s regulatory compliance program and played a crucial role in structuring and implementing its ESG program.

The addition of Roberts further illustrates HighCamp’s strong professional network and ability to attract top talent. Most of HighCamp’s team, advisory board, and now Roberts, have been working together in roles at either the SEC or ACA Group since as early as 2003. “We’re extremely proud of our vast network that the HighCamp partners have built over the years, and that we don’t need recruiters or salespeople to tell our story,” Burgtorf added. “Our consulting speaks for itself.”

Before his time at Marlin, Brian was a consultant at ACA Group, where he spent five years advising a diverse group of clients on a wide range of compliance issues. Prior to that, Roberts spent five years in legal practice representing private equity and investment company clients in connection with SEC examinations, investigations, and litigation; investment adviser and mutual fund registrations; ongoing compliance obligations; and mergers and acquisitions.

“HighCamp has an exceptional five-year track record servicing top-tier managers,” stated Roberts. “I’m eager to return to consulting and work alongside a collaborative team to build upon their success.”
